Literacy

We have been writing our own treasure hunt clues this week to create a treasure hunt for Percy and the animals. We have been reading and writing words such as jump, run, stand, hop, skip and then using our keywords 'to the' and then writing hut, swing, and bin.

We have then shared these with our peers and carried out the treasure hunt to make sure it is ready for Percy! It was great fun!

Run to the bin

Hop to the swing

Maths

We have been adding in different activities this week – adding two numbers that are the same)doubles) and then adding different numbers after rolling the dice – we then said what the total was. Use the following game to develop this learning at home:
